Anahi Catamaran Itinerary 8 Days B1

Day	Activities
1	Santa Cruz Highlands: Upon arrival to the airport in Baltra you will be transferred to Anahi Yacht at the bay. After lunch, you will be transferred to the highlands of Santa Cruz Island, up to a private farm, where giant tortoises roam freely. You will also visit one of the many lava tunnels existing in the area. At the end of the day head back to the yacht for dinner and rest.
2	Isabela Island: Early start and breakfast. The first visit will be to Tintoreras Islet, located south of Puerto Villamil at Isabela Island, where you will spot species like sea lions, sea turtles, marine iguanas, among others, you will also visit two beaches, the first full of sea lions, and the second one, surrounded by mangrove, where marine iguanas reside. After this visit, you will head to Sierra Negra Volcano, specifically the crater, where it will be possible to observe some fumes and explore the landscape. After lunch, you will visit The Wetlands to see various endemic wetland birds. Return to the catamaran for dinner and rest.
3	Moreno Point and Elizabeth Bay: Early in the morning visit Moreno Point in the north coast of Isabela, between volcanoes Sierra Negra and Cerro Azul, through a trail of solidified lava until a coastal lagoon where you will see several species of birds. During the afternoon you will go to Elizabeth Bay, the excursion has no landing point. You will visit the Marielas islets, and see the most important penguin colony and a cove that is surrounded by red mangroves where you will observe sea turtles, flightless cormorants, spotted eagle rays, brown pelicans and sea lions. End of the day and dinner.
4	Urbina bay and Tagus Cove: Early in the morning the yacht will take you to Urbina Bay, one of the recent examples of geological uplift in the Galapagos, specifically to the base of Alcedo Volcano, where you will see land iguanas, giant Galapagos turtles, and marine iguanas. During the afternoon head to Tagus Cove in the west coast of Isabela Island, to see the Galapagos penguins, flightless cormorant and other seabirds. Then go to a hike along the trail to the top of the cliff where you can view Darwin Lake and uplifted lake, and catch a glimpse of Darwin and Wolf Volcanoes.
