

# Archipel I Catamaran

# Archipel I Itinerary 4 Days A4

Day	Activities
1	<b>Colorado Hill and Tortoise Breeding Centre:</b> Arrival to San Cristobal Airport. Short bus ride to the harbor and settle aboard the yacht. Your first visit will be to Cerro Colorado Tortoises Protection and Growing Centre, where you will see different species of native and endemic plants, species like San Cristobal mockingbird and many species of finches. You will be able to discover the amazing and emblematic Galapagos Tortoises. After this visit, return to the yacht and dinner.
2	<b>South Plazas and Santa Fe Island:</b> Early in the morning you will visit South Plazas, located to the east of Santa Cruz Island, forming a pair of islands known as "Islas Plazas", where you will see outstanding species such as land and marine iguanas and hybrid iguanas too. After lunch you will visit Santa Fe Island, where you can see some endemic species such as the Galapagos hawk, Galapagos snake, Galapagos mockingbird, and land iguanas. You will also see one of the many sea lion colonies, and have the possibility to snorkel. After this activity return to the yacht and dinner.
3	<b>Champion Islet and Loberia:</b> After breakfast, the yacht will sail to Champion Islet, along the way you might see bottlenose dolphins and Galapagos sea lions. A dinghy ride along the shoreline offers sightings of endemic seabirds such as Galapagos penguins, blue footed boobies, swallow tailed gulls and lava herons. With luck you may see the mocking bird on top of prickly cacti, the species that put Darwin on track of his theory of "adaptive revolution". After lunch, visit the Asylum of Peace Island, and la Loberia beach, an ideal place to enjoy the ocean as you watch the playful sea lions that live there.
4	<b>Charles Darwin Research Station:</b> Begin with an early visit to Charles Darwin Station to learn about the protection and conservation of the island, you will see the Breeding and Rearing Centre for young tortoises and adult Galapagos tortoises in captivity. After this activity you will be transferred to Seymour Ecological Airport for taking your flight back to the continent.
