Day	Activities	Meals
5	Arequipa: Half day walking city tour of Arequipa, where some of the building materials out of white volcanic material have given this city the name of white city. The tour continues to Santa Catalina Convent, built in the 16th century, that once served as a town within itself housing 450 nuns. The convent complex has been beautifully refurbished, bringing the past vividly alive once more.	B
6	Arequipa to Colca: Early in the morning, you will leave Arequipa and head towards the valley. On your way you will pass Pampa de Arrieros, Pampa Cañahuas, Vizcachani and Torja, a good place to spot Andean Birds. The majestic volcanoes Mismi, Misti, Chachani, Ampato, Sabancaya and Hualca Hualca, provide panoramic views as you enter the Colca Valley. Then you will arrive to Chivay, where you will make a stop to explore the local market. Lunch. Then continue your journey to the hotel	BL
7	Colca to Puno: Early in the morning drive to the observation point "Mirador Cruz del Condor", located between Maca and Cabanaconde, one of the deepest parts of the canyon. It's here that the legendary condor, the bird with the largest wingspan in the world, can be seen rising and circling on the morning thermals, silhouetted against the magnificent backdrop of the mountain scenery. Afterwards you will make some stops in some of the picturesque towns in route to visit their colonial churches. You then say goodbye to Colca in order to continue your trip across Altiplano landscapes to Puno (only transportation), city on the shores of Lake Titicaca	B
8	Titicaca; Uros & Taquile Islands: Our excursion by speed boat starts with a visit to one of the floating reed islands of the Uros before heading to island of weavers, Taquile. Unlike in the classic tour, this option offers a reduced time in route (e.g. 75 min from Taquile to Puno versus 2 hrs. 30 min aboard the traditional boat) making your experience in the lake more pleasant. Your boat tour includes a meal prepared with local fish and fresh produce from the Andes.	BL
