

Jamu Lodge

Day	Activities	Meals
1	<p>Reception in Lago Agrio at 9:30h for passengers arriving by road and 11:00h for passengers arriving by air, from where we take the private transport to the entrance of Cuyabeno, where we will have a box lunch. At this point, visitors have to register at the booking office.</p> <p>Here our naturalist guide will give you information about the reservation, important recommendations and other tips to start navigating for two hours on the Cuyabeno River of Jamu Lodge. During the canoe ride you get a first glimpse of the jungle and you will see different types of birds such as the caciques, Oropendolas and the prehistoric bird Hoatzin. You may also be able to see a variety of monkeys and other jungle animals, depending on weather and weather conditions. We will arrive at Jamu Lodge around 4:30 pm. At that time you will be shown to your rooms and you can relax a bit. After the NAP we will leave the lodge to swim in the lagoon and see a beautiful sunset in the middle of the large lagoon. Then you will return to the camp for dinner, and you can finish your first day in the jungle, relax in a hammock or have a drink at the bar.</p>	LB lodge
2	<p>After breakfast there is a walk of approximately 3 to 4 hours in the primary forest, where the guide will explain to us about a tropical forest, and medicinal plants. You can also see big trees like the CEIBO or small insects like ants. You will return to the camp for lunch and take a break and in the afternoon we will go to see the beautiful butterflies and swim in the lagoon. If possible we will be able to observe the beautiful grazed dolphins and enjoy the impressive sun-fall. Then we return to the camp for dinner. At night we do a night activity, focused on the search for alligators on the banks of the river.</p>	BLD at lodge
