# Caiman Lodge 4 days Itinerary A

Day

Activities

Meals

1

We will meet at Lago Agrio between 9:00 am and 9:30 am, where we will take private transportation to the entrance of the Cuyabeno Reserve.

At this point, visitors must register at the Reserve office and then we will board the canoe. Here our naturalist guide will give you information about the Reserve, important recommendations and other tips to start the two-hour canoe trip down the Cuyabeno River to Caiman Lodge. During the canoe trip you can enjoy the wonderful flora and fauna found in the jungle. You can also see some of the 10 species of monkeys, birds and other animals in the jungle, depending on the weather and weather conditions

We will arrive at Caiman Lodge around 1:30 pm

We will take lunch.

At that time they will be assigned their rooms and they can relax for a few minutes. After a nap we will leave the camp to swim in the lagoon and see a beautiful sunset while having the possibility to see freshwater dolphins and take pictures of sunset. Then, we will return to the camp for dinner and then we will do the night walk for an hour to spot arachnids, amphibians and with lucky reptiles.

They finish their first day in the jungle relaxing in a hammock or having a beer at the bar.

lodge

2

8:00 am Breakfast

9:30 am Day walk in the primary forest, where the guide will explain about the ecology of the Amazon rainforest, plants, flora and fauna and interactions of the ecosystems with the greatest biodiversity on Earth.

lunch

We will take a break in the hammock or rooms.

In the afternoon we will go to look for animals in the trees, such as monkeys and birds and dolphins in the lagoons and river, a tour will take place in the large lagoon, and we will wait for the incredible sunset.

7:00 pm Dinner

We will go out in search of alligators from the motorized canoe.
